She and her rockstar audience will team up with larger than life characters, *Bellini*, *Mimosa*, and *Sangria* for rapid fire 90's trivia games, improvisational comedy competitions and more to determine which brunch cocktail reigns supreme!

Devour three sweet and savory dishes, washed down with bottomless brunch cocktails, all while singing along to your favorite 90's number one hits like *Oops I did It Again!*, *Vogue*, *Livin' La Vida Loca* and *This Is How We Do It*.
